Twenty-eight deaths as a result of the Spanish influenza here were and an influenza nurse at night.

This is the latest record established by women war workers. The first war worker to volunteer her services hours ending at noon today. This is a nurse at night is Mrs. Eleanor a decrease of six deaths over the Sanford, a rural mail cierk in the twenty-four hours ending at noon posterday.

When Mrs. Sanford closes her desk

One hundred and fifty-nine new but urge against any relaxation of precautionary measures by the public.

The number of cases reported is the lowest number in any twenty four hours since October 4, when the epidemic first reached city-wide proportions.

Bas lisy Be Lifted Soon.

The opening of churches, theaters and schools the latter part of this week, while possible, is not probable, emergency call comes in. situation today as decidedly improved, | morning.

week, while possible, is not probable, emergency call comes in. according to Dr. William C. Fowler, istrict health officer, who told The Times today that at the present time he did not think it safe.

While I do not think the epidemic "While I do not think the opidemic upon me."

Is increasing, I think that it will probably be impossible to open theaters, churches and schools this week," said Dr. Fowler. "At the present time the situation, while not serious, shows clearly that the influences is still a menace in Washington.

CTATEMENTO FILE I am anxious that everything be opened as soon as possible, but as a public health measure they will have to be kept closed until it is abso-lutely safe to open them. In the measures we should continue all pre-cautionary measures."

Auton for "Flu" Workers Needed. More automobiles are needed by the Public Health Service to transport physicians and nurses engaged in in fluenza nursing. Although more than Industries Board, was the heaviest inone hundred cars are now being used, has been necessary to hire taxicabs to take doctors and nurses to the ies of influenza patients.

Work of transporting these persons a absolutely necessary. Calls must be answered immediately as sometimes the life of a person depends upon how quickly a doctor is obtained. Those who wish to loan helr machines for an hour, two nours, or longer are urged to call Main 5520, transportation branch, as bours day or night, or both, and can drive your machine yourself. The headquarters are at Tenth and H
